Defense scheduled: April 14, 2026
- MRes in Economics** 2020 – 2021  
*European University Institute, Florence, Italy*
- MA in Economics** 2018 – 2019  
*College of Europe, Bruges, Belgium*
- BSc and MSc in Economics** 2013 – 2018  
*University of Liège, Belgium*

## RESEARCH OUTPUTS

---

- Temperature Variations and Domestic Violence
- Trading on the Hill: How Lobbying Informs Congressional Stock Trading  
(with M. Battaglini, E. Patacchini, and V. Leone Sciabolazza)
- Bloom and Bust: The Impact of Pollen on Workplace Safety  
(with B. Hattemer and I. Moreno-Martinez)
- Gender Differences in Job Search: Commuting, Wages and Bargaining Power
- Random Sisters: Gender-Norm Formation in Early Adolescence  
(with L. González)
- Puzzles in Non-Financial Corporate Sector Savings across the G20  
(with L. Granelli, G. Stanoeva, G. D'Adamo, and R. Gampfer)
- European Commission, DG ECFIN, Economic Brief No. 063 (2020)

## TEACHING

---

- Recent Advances in Applied Micro-econometrics for Causal Inference** Spring 2024  
EUI, PhD level | Teaching Assistant to Alessandro Tarozzi
- Theory and Practice of Causal Inference** Fall 2023  
EUI, PhD level | Teaching Assistant to Fabrizia Mealli
- Topics in Microeconometrics** Spring 2023 & 2024  
EUI, PhD level | Teaching Assistant to Alessandro Tarozzi

## SKILLS

---

- Technical:** R, Quarto, L<sup>A</sup>T<sub>E</sub>X, Stata, Git, HPC, Python, SQL
- Languages:** French (native); English, Spanish (fluent); Italian, Dutch, German (basic)
